A snipe hunt is a type of practical joke, in existence in North America as early as the 1840s, in which an unsuspecting newcomer is duped into trying to catch a non-existent animal called a snipe. While snipe are an actual family of birds, a snipe hunt is a quest for an imaginary creature whose description varies.. The target of the prank is led to an outdoor spot and given instructions for ...

The culture of Mexico reflects the country's complex history and is the result of the gradual blending of native culture (particularly Mesoamerican) with Spanish culture and other immigrant cultures.. First inhabited more than 10,000 years ago, the cultures that developed in Mexico became one of the cradles of civilization. During the 300-year rule by the Spanish, Mexico became a crossroad for ...
