A teacher (also called a school teacher or, in some contexts, an educator) is a person who helps others to acquire knowledge, competences or values.. Informally the role of teacher may be taken on by anyone (e.g. when showing a colleague how to perform a specific task). In some countries, teaching young people of school age may be carried out in an informal setting, such as within the family ...

Background. Over the past 15 years, Indonesia has implemented major policy reforms to improve education. These include a constitutional mandate to spend 20 percent of the national budget on education, decentralizing some functions of the education sector to the district and school level, and implementing the Teacher Law in 2005.
