The ISO 32000-1 standard now available from ISO, preserves the technical integrity of the Adobe PDF 1.7 Reference and is vendor neutral, more precise, and conforms to ISO conventions.

Data management - Wikipedia
Sun, 09 Dec 2018 17:17:00 GMT
Concept. The concept of data management arose in the 1980s as technology moved from sequential processing (first cards, then tape) to random access storage. Since it was now possible to store a discreet fact and quickly access it using random access disk technology, those suggesting that data management was more important than business process management used arguments such as "a customer's ...
