## [Education in the United States - Wikipedia](#)

Wed, 10 Oct 2018 18:56:00 GMT

Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for K–12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ...

The draft, a system of conscription that mainly drew from minorities and lower and middle class whites, drove much of the protest after 1965. Conscientious objectors played an active role despite their small numbers. The prevailing sentiment that the draft was unfairly administered inflamed blue-collar American, especially African-American, opposition to the military draft itself.
